Last Week's Program:

Club Assembly

As you all know, the board has decided to have the first Tuesday of the month for Club Assembly. This is a great time to express your opinion, concerns or just simply enjoying the company of each other.

Some topics that were discussed on our last meeting were:

- ⇒ Bylaws and Constitution: Tom Tullsen, Club Secretary has volunteered to modify our club's Bylaws Constitution
- ⇒ The Graham Jolly (Magician) Performances: In support of the Zoo, Graham Jolley, a world renowned Mentalist/Magician came all the way from England to performed 2 shows. This was really an **Amazement!**

The performances raised a total of \$7,600. All proceeds went towards the Belize Zoo.

- ⇒ Blood Drive Campaign: While we continue to reach out to our community, the club has decided to hold a blood drive campaign; keep in mind that the blood drive has been re-scheduled for mid May. We will be needing blood donors and volunteers to work on this day. More information to follow.

- ⇒ Rotaract: Is a Rotary-sponsored service club for young men and women. Rotaract clubs are either community or university based, and they're sponsored by a local Rotary club, this makes them true "partners in service" and key members of the family of Rotary.

As one of Rotary's most significant and fastest-growing service programs, with more than 8,400 clubs in about 170 countries and geographical areas, Rotaract has become a worldwide phenomenon. In order to support our Rotaractors, the Board has decided to contribute a total of \$1,000 towards expenses to attend the District Conference in May. We wish them all the best...
